Mārtiņš Heize

Junior Web Developer

I have worked as a junior developer for less than two years. During this time, I developed several projects based on design.

Work Experience

Warehouse Worker, SIA "Gemoss"

March 2020 - Present

Acceptance of goods, placement in the warehouse and store, processing of customer orders.

Junior Web Developer, SIA "TRUU"

October 2018 - March 2020

Developing and maintaining several Web pages by design.

Warehouse Worker, SIA "Verners VT"

February 2016 - October 2018

Assembly and processing of customer orders, acceptance of goods, placement in a warehouse.

Education

WEB Bootcamp, Rīga Coding school (Certificate)

July 2021 - September 2021

Learning

- NodeJS
- MySQL
- React
- TypeScript
